

Welcome to New Creation United Methodist Church's **SEED** Project (*Student Extracurricular Education Development*)

We are excited to have your family join us for our activities. Our hope is that what we do here is beneficial to your whole family. In order to participate in this program, please carefully read the following terms and fill out the end of this form clearly and completely. We have a few guidelines and rules to ensure everyone's safety including that of the participant.

STUDENTS:

- We ask that all participants be encouraging to one another, behave safely, responsibly and appropriately at all times. Each participant is asked to respect the SEED staff and volunteer members, other students and NCM property and facilities. (*This includes: No lighters, fighting, weapons, fireworks, explosives, alcohol, drugs, or inappropriate behavior will be permitted.*) Respect and comply with event schedules/rules, obey state, national, and federal laws. Thanks for helping us provide a safe environment.
- We ask that each family commit to attending all the classes during each session, a session is usually 5-6 classes.
- Please arrive on time with your class materials in-hand and ready to start courses.
- Spend time during the week reviewing materials and lessons that SEED provides.
- Please sign in and out each time as to help us keep track of the participants present. If you need to leave before classes are over at their scheduled times, please check in with an SEED staff member first. Once students sign out, NCM (New Creation) will not be responsible for students after classes end.
- Do Not bring any food or drinks to classes, particularly in music courses in order to keep hands and instruments clean and dry during play and practice.
- Take care of one's own personal belongings. NCM will not be responsible for lost items.

PARENTS:

- Please review terms listed in this agreement with their children and will be responsible for ensuring all rules are met.
- Drop off and pick up children promptly after classes are over. NCM does not provide childcare and are not responsible for students after classes end. All students who do not sign in will be considered as "absent" and therefore SEED staff will not be responsible for your child that day.
- Please help your child throughout the week by encouraging them to review course materials and lessons provided.
- Do not ask SEED teachers to provide additional free lessons outside of predetermined times.
